**PRICE LIST 1945**

**GLADHAVEN GARDENS**

George G. Fowler, Prop.

North Main Street

Franklin, N. H.

We wish you all a Happier and Better New Year; was hoping last year this war would be over by this time.

We want to thank you my friends, for your generous patronage in the past. We are sure you have been pleased with our bulbs and business methods as we received no complaint of any kind last year.

One small order we could not fill from Hunter, N. Y., as there was no name or address given. Sorry it had to happen.

We have also received many kind and friendly letters from you.

If there has been anything wrong with our service or the bulbs you have purchased from us the past 22 years, kindly let us know and we will do our best to make a satisfactory adjustment.

We celebrated our 50th Wedding Anniversary January 4th this year, so do not know how much longer we can continue in business.

Gladiolus bulbs are still in very limited supply and prices on the lower priced varieties slightly higher. If you order this season, would advise ordering **EARLY** and stating when you want them shipped.

Without shipping instructions will ship for proper planting in your section of the U. S. Cannot ship to Canada.

Cordially yours,

Mr. and Mrs. George G. Fowler.

**CONDITIONS OF SALE**

All prices are subject to the following conditions and change without notice.

(a) Any Federal or State tax that may be imposed on sales. (b) Stock on hand when order is received. (c) No bulbs shipped C. O. D. without a deposit of 25% of the order. (d) No minimum lot split and no single item less than 10c. (e) Every order for not less than \$1 will be shipped prepaid to any of the 48 states in U. S. On orders less than \$1 add 10c for postage and packing.

**GUARANTEE**

I guarantee that the gladiolus bought from me will be true to name and properly cured for planting spring of 1945. Cannot guarantee crop or anything depending on cultivation or weather.

References: Franklin National Bank, Dun & Bradstreet.

**READ CAREFULLY**

The first column of figures lists the smallest or minimum lot of a kind put up. No single item for less than 10c. 5 bulbs for half the 10 rate.

**SIZE OF BULBS**

Large bulbs are 1¼ inches in diameter and up to 2 inches. Medium bulbs are from ¾ to 1¼ inches in diameter averaging 1 inch. Jumbo bulbs are very large 2 inches or more in diameter. All should give good flowers this year.

**FULL CULTURAL INSTRUCTIONS WITH EVERY ORDER**

**ORDER EARLY**, and state when you will want bulbs. It is safe to ship Express orders at any time. Mail orders are safer shipped after March 1st. A 25% deposit will reserve your order until May 1st. No orders reserved or shipped without a deposit.

Have your name and address on the outside of every letter you write. It may save a lot of bother later. **WRITE PLAINLY**, and be sure to give your correct address. I am a poor guesser.

I do not substitute one variety for another unless requested. If I am out of the size ordered I fill the order with bulbs of the next nearest size, giving as much or greater value. **EARLY ORDER WILL AVOID SUBSTITUTION. YES, I generally give EXTRAS.**

**NO WHOLESALE PRICES THIS SEASON.** Please do not write for special prices, we just do not have any extra bulbs or bargain lots of any kind.
